1 Masjid Al-Fath St,

Al-Derwateen,

Nabaruh | Talkha | Daqahlia

Postcode: 35685

Egypt

## Profile:

I am studying in a final year of computer engineering. I have accomplished some projects, some of which is personal for training and others for business where I have accomplished accounting system for supermarket, on a practical level I've accomplished my part of graduation project in a robotic field

Where I was responsible for the android system and I was a team leader. I am conversant in a wide range of technologies - most notably JAVA / JAVE-EE and SQL - and follow the latest technical trends with great interest. My approach is methodical but creative, and I always look to code to the highest standards possible. I am trying hard to achieve the highest possible success for community service

## Skills Summary:

- **Java SE / Java EE**
  - Servlet – Hibernate - MVC – JSP – JSF
- **Android "self-study"**
- **Oracle SQL DB development "self-study"**
- **My SQL**
- **HTML / CSS / JavaScript "self-study"**
- **XML**
